

Australian Macedonian Human Rights Committee Inc.

MEMBERSHIP FORM

Established in 1984 the Australian Macedonian Human Rights Committee (AMHRC) is a non-governmental organisation that informs and advocates before international institutions, governments and broader communities about combating racism and promoting human rights. Our aspiration is to ensure that Macedonian communities and other excluded groups throughout the world, are recognised, respected and afforded equitable treatment.

The AMHRC has been involved in the struggle for human rights of the Macedonian people both in Australia and internationally for over 25 years, either directly or through our partner organisations. In addition to taking various politicians to task over their comments and actions concerning the Macedonian people, challenging government policy, defending and promoting the community's interests, the AMHRC has also continued to support our Macedonian minorities in Greece, Bulgaria and Albania through direct funding and other means. With the issue over the right of the Republic of Macedonia to use its constitutional name reaching a critical phase, there has never been a better time to be engaged or re-engage with the struggle of the Macedonian community for equality and respect.
